Dear DSA Members:

The DSA Membership Campaign is underway! Please consider renewing your membership and commitment to enhancing the quality of life for people with Down syndrome. Your dollars support vital programs, services and social opportunities for families, and youth and adults with Down syndrome across the lifespan. Renew your membership online today!

Your donations ensure new and expectant parents receive the DSA New Parent Kit, which includes a book, informational video and key resources to assist parents as they begin their journey. The estimated cost for each kit is \$75. DSA sponsors several support groups, workshops, state-of-the-art conferences, social activities, website and lending library.

Membership provides access to free services and reduced rates, or fee waivers for select events. And...your donations support needs-based scholarships for DSA families. Please find enclosed a dues remittance envelope with several donation options, and an informational flyer detailing DSA program and services.

We deeply appreciate your ongoing generosity and support. If you are unable to make a financial donation at this time, please consider volunteering in some capacity. It is a privilege to serve the many dedicated families and individuals who contribute to the growth and success of the organization. The success of DSA is dependent on the support and involvement of the membership!

Sincerely,

A handwritten signature in black ink, appearing to read 'JH', is placed below the word 'Sincerely,'.
